

# The triiyo Solution

## Because life happens at work.

We care about supporting people throughout the entire work-life-cycle. Our mission is to connect the dots for employees, between life stages and the workplace for positive outcomes.

In the new world of work, communication and connectivity has never been more important for colleagues to feel engaged and connected during the ups and downs of life - whilst at work.

Whether starting a family, focusing on mental health or retirement planning, triiyo provides a safe, proactive space for your people to be supported during the moments that matter, at the time they need it.

We ensure organisations and leaders are equipped to help people navigate life transitions during the entire career lifecycle, with simplicity and ease.

## triiyo, your connectivity and communication platform

Because people matter, triiyo focuses on human connection to provide an easy way to stay connected, informed and supported during any life event that happens at work.

- Journeys – Guide managers and employees with best practice, time based communication flows.
- Resource Hub – Expertly curated content educates and empowers at every stage of work-life transitions.
- Communities – Communities and work buddy groups create safe spaces for people to connect with like-minded peers.
- Coaching – Access to professional advice related to your Career, Relationships and Wellbeing.

“With triiyo you send an instant message to your employees that you care. Our connectivity platform creates meaningful moments of connection that bridges the gap between work and life so that life transitions at work are seamlessly supported.”

Rebecca Grainger, CEO, triiyo

“We spent 7 years looking for a way to stay connected with our people during leave. Then we found triiyo.”
